

DATA CENTERS CANADA OPENS NEW OFFICE IN VAUGHAN, ONTARIO

Vaughan, Ontario Canada – February 17, 2011 – Data Centers Canada a data center provider which operates, develops and manages Canadian real estate for the purpose of providing turn-key data center solutions including colocation and disaster recovery solutions for enterprises, today announced that it has opened an additional regional office in the City of Vaughan, Ontario.

“We continue to grow our Canadian centric data center practice”, said Tony Di Benedetto, Managing Partner at Data Centers Canada. “The new Vaughan office will provide ample capacity to expand our growing administration and sales and marketing groups”.

The new office complex is located in close proximity to Data Centers Canada Toronto North Data Center Facility and provides ample capacity to accommodate future growth.
